***Conference Presentation Abstract ~ Poster***

**Abstract ID:** 06

**Title:**

**Evaluation of a Patient Navigator Role on an Interdisciplinary Acquired Brain Injury Team**

**Author:**

Richard Braha, Ph.D., R.Psych., Rehabilitation Services, Capital Health

**Presenter:**

Richard Braha Ph.D., R.Psych., ABI Coordinator Rehabilitation Services, Capital Health

**Summary:**

Describes processes involved in identification of the need for a Patient Navigator, brief review of the key activities of the position, development of an evaluation infrastructure and results from a formal evaluation of the contribution of the position to team function and outcomes.

**Outcomes/Objectives:**

Knowledge and understanding of the role of a patient navigator

Knowledge of key indicators of efficiency and effectiveness

Knowledge of select evaluation methods

Understanding the contributions a patient navigator can make to an interdisciplinary ABI team
